

# **SCRIP Angel Gift Program**

## **Help Medfield Residents....Help Medfield Schools.**

*During these difficult economic times, there is a special way you can help Medfield residents and families while charitably supporting your local schools.*

***You can donate food, clothing and other items simply by donating SCRIP gift cards.***

*The Medfield Schools Scrip Program will order and deliver your donation of Scrip certificates to the organization of your choice (see list below). As with all Scrip purchases, the participating merchant will donate a percentage of that purchase to the Medfield Public Schools.*

***So your one contribution can aid two worthwhile causes at the same time!***

*To make a donation, simply fill out the box below, attach your check (payable to MSSP) to this form and bring it to the Lord's Scrip Order Box at the front counter. OR send it to: MSSP, 14 Milliston Rd., PMB #104, Millis, MA 02054(Postal Center USA)*

*If you are also placing a regular Scrip order, just add the amount you are donating to your check (payable to MSSP) and attach this form to your regular order.*

***Thank you for your generosity!***
